To Whom It May Concern:

I am happy to recommend Galen and Malinda Oakes to you!

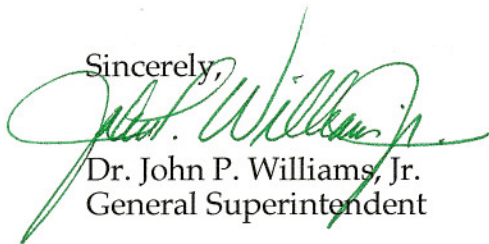

I have known the Oakes for several years and have had the opportunity to see them at work in a number of ministries, including music, drama, conference leadership and special presentations.

The Oakes are conscientious, deeply committed servants of our Lord Jesus. Their heart is to bring glory to God and blessing to people. You can count on them to follow through on their commitments with a high degree of professionalism and deep dedication. They are accountable to their church and to their spiritual leaders.

On several occasions, they have created dramatic presentations to communicate a theme at our Evangelical Friends Church gatherings. People have been moved, engaged and challenged by their ministry.

I would highly recommend them and know you will find Galen and Malinda and their family to be wonderfully helpful as partners in ministry.

Sincerely,

Dr. John P. Williams, Jr.
General Superintendent
