To Whom It May Concern,

We first met Galen and Melinda in April of 2003 at a Family Life *Weekend to Remember* at the Church Rep breakfast. They were very enthusiastic about helping marriages, families and promoting Family Life Ministries at their church.

They also shared with us their ministry, Amazing Graceland. We were greatly impressed with their heart for reaching the unsaved through their unique ministry. As a result we shared their brochure with some folks at our church and last year they performed on New Years Eve for *First Night of Akron* at our church's venue. Then in August they performed at the banquet for our church's 150th Anniversary Celebration. The response was tremendous at both events. The guests gave many positive comments and were very anxious to speak with Galen and Melinda a purchase their CD's. In fact they are performing at *First Night* again this year.

Galen and Melinda demonstrate a real maturity in the Lord. The gospel message is presented clearly and their love of Jesus shows in all they say and do. They take their ministry very seriously as a way to reach the unsaved, marriages and families.

They were dependable and followed through with all of their responsibilities. They arrived extra early so they could take time to pray before their presentation.

We believe their ministry would be a great asset to Family Life.

Sincerely,
